ORANA JOINT ORGANISATION WELCOMES DUBBO REGIONAL COUNCIL INTO THE REGION

The Orana Joint Organisation of Councils welcomed Dubbo Regional Council as its newest member at the 9th December 2019 Board Meeting held in Mudgee.

Orana JO Chair Clr Craig Davies said the formal inclusion of Dubbo Regional Council into the Orana JO region will assist the JO to work co-operatively with the State Government to further collaborate, plan, prioritise and deliver projects on a regional scale to the Orana region.

The Orana JO is a relatively new entity and from the outset we have embraced a commitment to goodwill and advocacy across the 6 member councils for the betterment of the region and our communities.

It is anticipated that NSW Government will continue to work closely with the Orana JO member councils on issues important to us such as drought, water security, regional infrastructure, and improvement to our services and facilities, added Clr Davies.

The next Board Meeting will be held after the formal proclamation of Dubbo Regional Council into the Orana JO region. This Board Meeting is scheduled for 26th March 2020 at Parliament House, Canberra.

Ends.
